Labour Mobility & Career Focus

QW

Overview:

Interactive event featuring testimonials, guidance booths, and videos to promote Erasmus+ mobility.

Description of the practice

The Erasmus+ Info Days provides **an interactive and informative platform to introduce Erasmus+ mobility opportunities and EU citizenship education.**

The event features presentations from past Erasmus+ participants, who can share their experiences studying or working abroad. Information sessions covers key topics such as application procedures, funding opportunities, and the benefits of EU mobility programs.

Why is this approach useful?

The Erasmus+ Info Days serve as a practical and engaging method to promote EU citizenship education in VET settings. By directly involving students and educators, the event makes EU opportunities accessible, relatable, and inspiring.

How to make this approach successful?

Plan the event in advance, involve past Erasmus+ participants, utilize digital and visual resources, facilitate interactive Q&A Sessions, promote effectively and follow up with interested students.

Target group:

VET Students aged 16-25 years, teachers and trainers, school staff, Erasmus+ coordinators

Duration of the activity:

1-2 days

Transferability Tip:

Combine with school celebrations or open days to boost turnout.

Why is it a quick win?

- Simple to organize, highly effective, and require minimal resources
- Can be planned and executed within a short timeframe, using existing school infrastructure, guest speakers, and digital tools.
